PROFESSIONAL PROFILE

Media Producer and Television Director with 3+ years of professional experience in television production, documentary filmmaking, show direction and creative content production. Experienced in developing production concepts, conducting research, scripting, directing shoots and coordinating creative teams throughout the production process. Portfolio includes television shows and documentaries covering Pakistan's culture, regional heritage, tourism, sports, craftsmanship, wildlife and international subjects. Combines strong storytelling abilities with practical production expertise and additional training in Artificial Intelligence for creative media applications.

PROFESSIONAL EXPERIENCE

MEDIA PRODUCER & TELEVISION DIRECTOR

Discover Pakistan TV | Pakistan | August 2023 – Present

- Produce and direct television shows, documentaries, special features and creative media projects.
- Manage production processes from concept development, research and scripting to filming and final delivery.
- Direct studio-based television programs, on-location shoots, interviews and promotional productions.
- Develop creative concepts and visual storytelling approaches for documentaries highlighting Pakistan's culture, heritage, tourism and regional diversity.
- Coordinate with presenters, camera operators, editors and production teams to support smooth execution.
- Produce fashion, lifestyle, entertainment, cultural and sports-related television content.
- Contribute to television packages, promotional videos, fillers and special segments.

TELEVISION SHOW DIRECTION

Directed television programs across fashion, lifestyle, business and sports formats. Selected show credits:

FASHION DIARY	Fashion and lifestyle show featuring trends, styling, designers, runway coverage and cultural fashion segments.
50 MINUTES	Show direction and production focused on educational tourism, including coverage of universities and educational institutions.
ZOOM IN	Show direction and production focused on government departments and their functions.
SPORTS 360	Sports-focused television show direction and production.
MEET THE CEO	Business and leadership-focused television show direction and production.

Direction responsibilities: Studio show direction; shoot execution and production coordination; camera setup and presenter performance oversight; creative implementation; coordination with technical and editorial teams; recording quality and production flow.
